SUPERIOR DRIVETRAIN

We've selected components that are low maintenance and offer uncompromising quality ride after ride. Our patent pending, durable and threadless Morse Taper design keeps the pedals fastened tightly to the bike and prevents breakage. With a best in class bottom bracket Q factor and smooth belt drive, our drivetrain provides a comfortable ride that users will love.

FEATURE-RICH CONSOLE OPTION

Complete the package by incorporating the most popular tools for rider feedback -- Time, Distance, Calories and RPM -- into your ride. Our console brings motivation and measurement to the group cycling studio and is compatible with all Studio bikes. A compact display that is easy to use and easy to read, makes a great bike even better.

BUILD ON GREATNESS

At **Core Health & Fitness**, when we brought together fitness brands to build our company, we settled for nothing but the best. Four iconic brands that pioneered entire categories and whose machines are still the ones **members ask for by name**. Today, we're committed to continuing the tradition that started decades ago – and that's greatness you can feel good about building your business on.
